

Two events. One inspiring day.

Join us for a unique experience with two complementary events: a hands-on SAP CodeJam in the morning and the Code10 TechTalks in the afternoon.

MORNING

SAP CodeJam

Real-time data for AI agents: Grounding with event-driven architecture

A hands-on session to build, learn and collaborate with SAP experts and peers in a CodeJam format.

Register for the CodeJam

Also, reply “Yes” on the SAP Community post to confirm your spot.

IN-PERSON ONLY

🕒 09:30 – 14:00
Time

📅 In-person only
Format

🏠 Through Code10 AND
SAP Community
Registration

🔔 SAP CodeJam is a live, hands-on event and will not be streamed.

AFTERNOON

Code10 TechTalks 2026

Real experiences. Practical insights. Future ready.

Inspiring sessions from Code10 experts, customers and partners on the technologies shaping tomorrow.
